

Dear Friends:

On Monday, **November 4, 2024**, The Greenspan Company/Adjusters International will hold our Annual Charity Golf Tournament benefitting the United Firefighters of Los Angeles City (UFLAC) Fire Foundation (www.uflacff.org). With your help, we hope to raise a generous amount of money for the UFLAC Foundation. This 501C3 charitable organization supports the men and women of the Los Angeles Fire Department who protect residents of the City of Los Angeles every day. Through the last four years of golf tournaments, we have **netted over \$650,000** for the Foundation, and with your help, we look forward to an even more successful event this year.

You can help with the cause by purchasing a sponsorship; the attached sponsorship package provides all the necessary details. You can also find sponsorship details at <https://www.uflacfirefoundation.org/golf/>. We have created a variety of levels for you to choose from. Please consider making a gift today in support of these selfless heroes. All proceeds will directly benefit the Foundation, which will assist LAFD Firefighters and their families.

We look forward to seeing you at this year's event.

Sincerely,

UFLAC Mission Statement:

Firefighters understand commitment and sacrifice but often do not consider themselves heroes. They choose this noble profession to participate in compassionate and dedicated service to the people of the City of Los Angeles. With an undivided pledge to the community, they are not thwarted by the arduous hours away from their families or the dangers they routinely face.

The United Firefighters of Los Angeles City Fire Foundation (UFLACFF), a non-profit 501 (c)(3) organization, is about firefighters helping firefighters. Specifically, UFLACFF provides financial support to firefighters and their immediate families who suffer economic hardship as a result of illness, injury, or death. Additionally, the organization provides educational assistance to the children of fallen firefighters.

Further, UFLACFF provides training and support for fire service members so they can better protect the lives and property of the citizens of Los Angeles. To achieve this mission, it provides firefighters with financial assistance for progressive fire training programs, technology, and equipment.

This foundation acknowledges the importance of community support and safety. It is dedicated to the delivery of effective fire suppression activities, rescue services, hazardous materials operations, and quality fire safety education to the public.

This year we will once again present our Annual Tournament to support the UFLAC Fire Foundation, a 501 (c) (3) charitable organization that was established in 2018 to benefit Firefighters and their families who experience hardship due to illness, injury or death. The UFLAC Fire Foundation also provides semi-annual Grants and Scholarships for educational assistance to Firefighters and their families through our Foundation Scholarship Fund.

We hope that you will Save the Date and consider supporting this very important event:

Monday, November 4, 2024
PORTER VALLEY COUNTRY CLUB

Since inception in 2019, our Golf tournament has raised over \$650,000 for the Foundation, thanks to the generous assistance of corporations, individuals and the fire community; with special appreciation to our Presenting Grand Sponsor, The Greenspan Company. Each year has continued to be more successful and we are making another push with our 2024 Tournament to surpass the success of all previous events. With our thanks to the UFLAC Fire Foundation's volunteer Board of Directors and pro bono legal assistance and professional services, the Foundation's overhead costs have been kept minimal, significantly increasing the amount of benefits going directly to Firefighters and their families.
